To Whom It May Concern:

We have worked with Property Tax Consultants, LLC for over 10 years to combat the ever-rising property tax burden. We find them to be consistent, efficient, and reliable. Our firm exclusively uses their tax consulting service for over 200 different commercial properties spread across Texas and covering most every genre of real estate. Year over year Property Tax Consultants, LLC has saved us, as well as our clients, millions of dollars! We feel they are the best "value" in the marketplace for property tax valuation representation. The service and quality of work is unparalleled and their skilled and professional staff are best in class.
